February 23, 1955

EXCELLENCY:

I have the honor to refer to the recent conversations between representatives of our two Governments concerning the desirability of extending beyond the present termination date of June 30, 1955, the cooperative program in agriculture being conducted by our two Governments. In order to provide for such an extension, I am authorized by my Government to propose that the agreement between our two Governments providing for the cooperative agriculture program effectuated by an exchange of notes signed at Lima September 15, 1950, and September 21, 1950, be extended through June 30, 1960; provided, that the obligations of the two parties with respect to this program after June 30, 1955, shall be subject to the availability of funds. The above-mentioned agreement may be terminated at any time by either party giving the other 30 days written notice of intention to terminate. It is understood that the two parties may make financial contributions to the cooperative agriculture program pursuant to arrangements entered into by the Director of the United States Operations Mission to Peru and the Minister of Agriculture of Peru, or their designees, or by any successor officials or other authorized representatives of the two parties.

If this proposal is acceptable to your Excellency’s Government, my Government would appreciate receiving a reply to that effect.
at an early date in order that the operational terms for the extension may be worked out and agreed upon. My Government will consider this note and your reply concurring therein as constituting an agreement which shall enter into force on the date of signature of an operational extension agreement [1] as referred to in the preceding sentence.

Accept, Excellency, the renewed assurances of my highest consideration.

HAROLD H. TITTMANN
