I. General Description

The Government of Peru, in its program to increase agricultural production, especially of food crops, identifies Seed Technology as an area where improvement is needed. The GOP wishes to take advantage of the many improved varieties of crops which have recently been produced by the green revolution. To carry out its objectives the Ministry of Agriculture has requested U.S. assistance in conducting a course in seed technology.

USAID/Peru will provide the services of two qualified technicians to organize and teach the one month course. The course will cover the following topics:

1. Production of seeds
2. Analysis of seeds
3. Processing of seeds
4. Storing and preserving of seeds
5. Treatment and packing of seeds
6. Certification of seeds

II. United States Contribution

The United States Government through AID agrees to provide under this agreement:

a) The services of two tech-
nicians for a period of 30 days to assist the Ministry of Agriculture, the services to be provided through AID Contract W-607 with Mississippi State University and through funds provided by the budget of USAID/Peru.

Contract W-607

Salary of two technicians for 30 days.

USAID/Peru

Per Diem for two technicians, international and in-country travel.

b) Translation services for translation of reports and study materials not already available in Spanish.

III. Reports

The U.S. contract technicians provided under this agreement shall furnish to the Ministry of Agriculture and to USAID/Peru, copies of training materials to be used in the course. The USAID will provide a translation into Spanish of such materials.

IV. Contribution of the Government of Peru

a) The Government of Peru through the Ministry of Agriculture will place at the disposi-

técnicos por el período de 30 días para ayudar al Ministerio de Agricultura, estos servicios se proporcionarán a través del Contrato AID W-607 con la Universidad del Estado de Mississippi y con fondos proporcionados por el presupuesto de USAID/Perú.

Contrato W-607

Sueldo de dos técnicos por 30 días.

USAID/Perú

Víáticos para dos técnicos, viajes internacionales y domésticos.

b) Servicios de traducción para traducción de informes y materiales de enseñanza no disponibles en Español.

III. Informes

Los técnicos norteamericanos proporcionados bajo este convenio deben entregar al Ministerio de Agricultura y a USAID/Perú copias del material de enseñanza que usarán en el curso. USAID proveerá una traducción de dichos materiales en Español.

IV. Aporte del Gobierno del Perú

a) El Gobierno del Perú a través del Ministerio de Agricultura pondrá a disposición
tion of the technicians the necessary classroom space and laboratory facilities needed for the completion of the tasks outlined in Article I.

b) The Ministry of Agriculture will provide the services of counterpart personnel to collaborate with the technicians provided under this agreement, and will release personnel from their regular duties to attend the course.

V. Other Provisions

The parties to this agreement agree to publicize the objectives and progress of this project as a joint undertaking of AID and the GOP.

VI. Duration of the Project

This project agreement will be in effect from the date of signature through June 30, 1972.

de los técnicos las aulas necesarias y las facilidades de laboratorio para poder llevar a cabo las tareas descritas en el Artículo I.

b) El Ministerio de Agricultura proporcionará los servicios del personal contraparte para colaborar con los técnicos proporcionados bajo el presente convenio y relevará al personal de sus tareas diarias para que atiendan el curso.

V. Otras Disposiciones

Las partes de este convenio acuerdan en dar publicidad a los objetivos y progreso de este proyecto como una empresa conjunta bajo la AID y el Gobierno del Perú.
