

Agreed Minutes

A Peruvian Economic and Commercial Mission headed by H.E. Senator Miguel Angel Mufareach visited Iraq for the period 13th - 16th of April, 1986, The Mission has been accompanied by a large group of peruvian businessmen representing the public as well private sectors in Peru.

During the visit of the Mission, they met with H.E. Hassan Ali Member of Revolution Command Council, Minister of Trade as well as with the senior officials of the Iraqi Federation of Chambers of Commerce and Industry .

The Mission has undertaken and carried out official discussions and negotiations in a very cordial , intimate and freindly atmosphere of understanding aiming at serving the mutual interests and in order to foster the economic and commercial bilateral relations between the two Countries .

20

Both sides expressed their sincere wish to enhance and deepen their cooperation in these fields.

For achieving this goal, the Peruvian side submitted a draft proposal for Trade Agreement to be studied and envisaged by the Iraqi side for approval on a latter time.

The Iraqi side assured the Peruvian side of its keen willingness to develop the bilateral trade relations between both countries, meanwhile to expand and diversify the commodity exchanges on a mutual basis, Besides, The Iraqi side welcomed the draft proposal for the Trade Agreement proposed by the Peruvian side and promised to convey its opinion and view points about it in the near future through the diplomatic channels.

Both sides emphasized the importance of the participation in trade fairs in both countries as a mean for promoting and diversifying their trade exchanges . In this respect , the Iraqi side invited the Republic of Peru to

participate in Baghdad International Fair which is normally to be held on an annual basis during the period of 1st - 15th November every year.

For that reason, it requested the Peruvian side to urge the Peruvian enterprises to contribute to the forthcoming session for the year 1986.

The Iraqi Federation of Chambers of Commerce and Industry arranged meetings for the public and private sector members of the Mission, during their stay in Baghdad, with various commercial and industrial organization in such a form that coincide and matches with the formation and specialization of the Peruvian Mission.

The Peruvian side expressed its appreciation and gratitude for the warm reception, welcome and generous hospitality that have been entertained by the Iraqi side to the Peruvian mission during the visit .

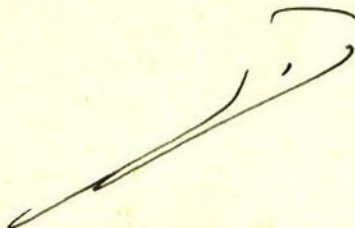

28

The Contacts and activities carried by the Economic and Commercial Mission of Peru were highlighted as a first step aimed at promoting measures that will decisively lead to the development of trade on the basis of mutual benefit and reciprocity.

Written and signed in Baghdad in two originals in English on 15th of April 1986.
